Forecast For East Midlands
Issued by Met Office Exeter
at 1600 on Wednesday 16 Jun 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Cloud thickening with some overnight rain and showers, probably thundery.

This Evening and Tonight:
Mostly dry through Wednesday evening with hazy sunshine. Becoming cloudy across the region overnight with an increasing chance of rain and showers, and these will probably be heavy with some thunder. Winds mostly light. Minimum temperature 13 deg C (55 deg F).

Thursday:
Thursday will start cool and cloudy with overnight, thundery rain and showers clearing eastwards across the North Sea. Some brightness developing by the afternoon. Maximum temperature 21 deg C (70 deg F).

Outlook for Friday to Sunday:
Areas of rain and showers, occasionally thundery will move across the region at times, but also interspersed with dry and occasionally sunny or clear spells. Cooler than recent days.
